Republic Mountain
Cooke City
12/16/2024
Code
SS-N-R2-D2
Elevation
9800
Aspect
E
Latitude
45.00500
Longitude
-109.95700
Notes

The clouds broke briefly around noon today in Cooke City. It looks like the Fin slide naturally in the past day or so (12/15 or 12/16). It looks like two sections of the face slid, one from the top, and one lower and to the right in the photo.
