

Natural windslabs near Quake Lake

Quake Lake

Southern Madison

3/26/2020

Code

SS

Latitude

44.85240

Longitude

-111.39200

Notes

Natural avalanches near Quake Lake, observed on 3/26/2020.

From email: "I observed several small natural slides originating on recently-loaded, corniced ridgelines. These all ran substantial distances, but did not pick up much snow or step down from the new snow."

Number of slides

1

Number caught

0
