

natural in 2nd Yellow Mule

Buck Ridge

Northern Madison

1/27/2023

Code

SS-N-R2-D2-I

Elevation

9400

Aspect

NE

Latitude

45.17190

Longitude

-111.38000

Notes

On January 28 we rode along Buck Ridge... Visibility wasn't great, but we saw most of the avalanche terrain in the Yellowmules. Saw one avalanche along the 2nd Yellowmule headwall that broke 100-150 ft wide just under the new snow (maybe 1-2 ft deep, it was hard to tell)....
