

Avalanche

Date

Sun, 03/12/2023 - 15:00

Activity

Snowmobiling

Heard tree breakage, saw plumes of snow and sliding snow at the bottom of the slide path. Our group spoke with the sledders and skiers that were on slope and confirmed none were caught. Skiers reported feeling slide tremble and backed down the mountain. Main breakage was near top of the third shoot from the lookers right.

Region

Cooke City

Location (from list)

Scotch Bonnet

Observer Name

Nona Repphun
