

Natural avalanche on the lawnmower

Date

Sun, 02/11/2024 - 08:00

From IG message: “It looks like the lawn mower up north deep creek slide full path. Looking through Bino’s from the valley it looked fairly fresh. Multiple fracture lines up at the starting point. I assume it went naturally”

Region

Out of Advisory Area

Location (from list)

Lawn Mower - Town Hill

Observer Name

Brock Decampli
