

Avalanche Lulu Pass

Date

Fri, 03/08/2024 - 16:40

Activity

Skiing

Snowmobiling

Saw this avalanche in the Rasta Chutes today, not sure if it was already sent in. Here is a picture from across the valley. The avalanche ran almost to the bottom of the chute, covering sled tracks heading into tradgenic.

Region

Cooke City

Location (from list)

Rasta Chutes

Observer Name

Jake Mundt
